Dear Parents/Carers,

Today during our assembly, Kia Giles from the NSPCC talked to the children about their important work. These were both informative and inspirational assemblies, and the children heard some very important messages.

During the assemblies, the children were also invited to help other children by raising vital funds to support the work of the NSPCC, which includes the special helpline service for children – **ChildLine**.

This year alone, ChildLine aims to answer over half a million calls from children and young people who need someone to turn to, while the NSPCC helpline will continue to provide advice and support to thousands of adults who are concerned about a child's safety and wellbeing. The NSPCC needs your help to make sure that every child receives the help they need. I truly hope that you will support this special cause.

Your child has been given an activity sheet and sponsor form. If you would like to help make a difference and participate in this activity, please ensure that the form and sponsor money are returned to school by **Tuesday 26th January**

You may be aware that charities are able to claim Gift Aid on contributions from UK tax payers. The sponsor form should be completed giving the sponsor's full name and address, including the post code, and a tick put in the UK taxpayer box.

Every day in the UK, children face overwhelming problems. For many of these children, the NSPCC and ChildLine are their only hope. The money that we raise at Amblecote Primary School will make a real difference to children's lives.

Your support is very much appreciated.

Thank you.

Mrs Mason
