

Friday 6th November 2015

Dear Parents,

Children in Need is on Friday 13th November. Our theme this year is 'Champions of Change.' The children have been given the opportunity to think of ways to raise money for Children in Need. I have had lots of ideas given to me and this year's day is going to be extra exciting!

Children can wear either their own clothes or wear something yellow to look like Pudsey. There will be prizes for the children who look most like Pudsey. All children must bring **£1** to wear their something yellow or their own clothes.

There will be lots of activities happening throughout the day. We will also be trying to cover our giant Pudsey again with 1p's and 2p's so please raid your money boxes.

For Children in Need we are going to be doing a balloon release, all children will be given the opportunity next week during break times to buy a balloon for 50p that they will then release next Friday. The balloon release will take place at 9.05am (weather permitting), after the children have been registered, so if you would like to stay and watch from the top playground please feel free. There will also be buckets for you to make donations, and there will be a cake sale for you to enjoy as well.

Last year we made a massive **£627.79**, we know with everyone's support we will be able to smash our record and help thousands of children across the UK.

Thank you for your support,

Miss Dowler
