## Amblecote Primary School

March 2016

Dear Parents,

We have arranged for members of the St. John's Ambulance to come into school to provide first aid training for Year 6 pupils.

This is a first aid course specially designed for young people. It will include instructions on and practise in administering basic first aid and resuscitation methods. At the end of the course, all of the participants will receive a certificate from St Johns Ambulance.

This will be a full day course and will be held in school on **Tuesday 24<sup>th</sup> May.**

The cost of the days training is **£7.20 per pupil.**

We have run this course for Year 6, for many years and it has proven extremely popular and enjoyable for all those taking part and gives the children a basic knowledge of first aid, which could prove very useful.

If you would like your child to participate, please complete and return the slip below by Friday 13<sup>th</sup> May, together with your contribution of **£7.20**. Payment can be made on line using our SchoolMoney system (more details can be found our website).

Non payment for this event will mean that your child will remain in the classroom and do a normal day of learning.

Thank you

Mr Keen / Mrs Foster
