

Welcome to our Talk Newsletter. Children have been learning about our seven school values, children created a wonderful display and did some amazing mark-making to show people what our school values are, they have made a beautiful display.

There has been some lovely learning taking place this week including our music time, learning all about different types of music and dances.

In Phonics the children have looked at all the single sound letters, which they are fantastic at! After Easter we will be looking at the diagraphs.

In Maths we are looking at Tall and Short? Children have measured their selves and the teachers, to see who is the tallest and shortest.

Rhyme of the Week

We've been **rhyming words** with cheerful chatter,
playing with **sounds** in songs that scatter,
building bright **alliteration** too—
like "busy bunnies bounce" and "pigs pick peas"—woohoo!

This week we went on an **egg-cellent hunt**,
peeking, poking, searching in front...
Behind the trees and under logs,
we counted eggs like clever clags!
(A lovely sprinkle of early maths—
counting, comparing, adding to our stacks!)

We wondered next, "If I were an Easter Bunny..."
Would my ears be long? My hop be funny?
The children shared their brilliant tales—
big ideas and fluffy details!

Dough Disco

The children used their Dough to strengthen their fine motor skills, we rolled the dough, patted and pinched. We used each finger to jump in the dough! Ruby ring was very tricky! The children have also completed a 3 minute routine and followed our Springtime dough disco.

Story of the Week

Our story time brought huffing and puffing gigs, with bricks and straw and strong stick twigs.

The **Three Little Pigs** helped us explore numbers, patterns, and structures galore!

Physical Development

This week in P.E we have been working on our kinetic movements and making our bodies stronger!

We did some pencil rolls, crawling on hands and knees and practiced our stretches! The children are so good at it now!

On Monday the children also perfected their gymnastic moves by learning a teddy bear roll and having a go at a forwards roll.

Thank you to everyone who sent in a donation for red nose day. We have sent them through to school.

The children sang some songs and continued to learn the Respect song with Mr Foster. They were also wonderful when they sang 'Mother Hen' at the craft session.

On Wednesday the children explored some dances and sang our favourite songs that we have learnt over the last half term.

Maths Forest Friday

You are invited to our Maths Forest Friday workshop on Friday 1st May. A sign-up sheet will be available from Monday 13th April onwards.

We will run two sessions on this day one at 9.05am and one at 2.05pm, please sign up for just one. Due to the nature of the activities, they will be no siblings allowed. Sorry.

We hope all our families have a wonderful Easter break.

Many thanks for your continued support.

Mrs Bradley and The Pre-school Team
