

# Make a gift for Mothers Day!

Dear Parents,

26.1.16

Mother's Day is on the horizon so the HSA are organising a craft event where your child can make a surprise keepsake gift to make the special day even better!

It will be held during the week beginning Monday 29th February within school time for children from Year 1 to Year 6. Members of the HSA will help your child to create something memorable! The cost will be £2.50 per child per gift. We don't want to give away too many details as it may spoil the surprise!!

The slip and money must be returned by Friday 12th February. Please keep money separate from dinner money etc.

Kind Regards,

Amblecote HSA

I would love to make a special mother's day gift!
